3 CARRIER'S TARIFF

3.1 The provisions of the Carrier's applicable tariff, if any, are incorporated herein. Particular attention is drawn to the provisions therein, if any, relating to free storage time and to Container and vehicle demurrage. Copies of such provisions are obtainable from the Carrier or his agents upon request or, where applicable, from a government body with whom the tariff has been filed. In the case of inconsistency between this sea waybill and the applicable tariff, this sea waybill shall prevail.

5 SUB-CONTRACTING AND INDemnITY

5.1 The Carrier shall be entitled to sub-contract on any terms whatsoever the whole or any part of the Carriage and the Merchant agrees (to the extent that the Merchant is entitled to bring claims against Sub-Contractors) that any Sub-Contractor can, at its option, apply its own terms of contract with the Carrier to defend claims brought by the Merchant.

The Merchant undertakes that

- it has no claim or allegation shall be made against any Sub-Contractor whatsoever, whether directly or indirectly, which imposes or attempts to impose upon any Sub-Contractor any liability whatsoever in connection with the Goods or the Carriage of the Goods, whether or not arising in contract, bailment, tort, negligence, breach of express or implied warranty or otherwise; and
- if any claim or allegation should nevertheless be made against a Sub-Contractor, to Indemnify the Carrier against all consequences thereof.

6 CARRIER'S LIABILITY

6.1 Where the Carriage is Port to Port Transport:

(a) the period of responsibility of the Carrier for any loss or damage to the Goods shall commence only at the moment the Goods are loaded on board the Vessel and shall end when the Goods have been discharged from the Vessel.

(b) the liability of the Carrier for loss of or damage to the Goods shall be determined in accordance with any national law making the Hague Rules or Hague-Visby Rules compulsorily applicable to bills of lading and if no such national law is compulsorily applicable, then in accordance with the Hague-Visby Rules (Clause 1-8 inclusive (excluding Article 3 rule 8)).

(c) The Carrier shall be under no liability whatsoever for loss or damage to the Goods while in its actual or constructive possession before loading or after discharge, however caused. Notwithstanding the foregoing, in case and to the extent that any applicable compulsory law provides to the contrary, the Carrier shall have the benefit of even rights, limitation and liberty in the Hague Rules, Hague-Visby Rules, or any other rules as applied by clause 6.2 during such additional compulsory period of responsibility, notwithstanding that the loss or damage did not occur at sea.

(d) if the Goods are discharged at a port other than the Port of Discharge or at a Place of Delivery instead of the Port of Discharge, and the Carrier in its absolute discretion accepts the responsibility for the loss or damage to the Goods, the Carrier shall not be liable to the Merchant for such loss or damage as if the ultimate destination agreed with the Merchant had been entered on the front side of this sea waybill as the Port of Discharge or Place of Delivery.

6.2 Where the Carriage is Multimodal Transport and the Merchant can prove at what stage the loss or damage occurred:

- the liability of the Carrier shall be determined by the provisions contained in any international convention or national law, which applies compulsorily to the relevant stage of the Multimodal Transport and the Carrier shall be liable to the Merchant for such loss or damage to the Goods as if the loss or damage occurred at that stage;
- there an international convention or national law does not apply compulsorily to the stage of the movement where the loss or damage occurred, any liability of the Carrier shall be determined by sub-clause 6.3.

6.3 Where the Carriage is Multimodal Transport but the Merchant cannot prove at what stage the loss or damage occurred or if this sub-clause applies pursuant to sub-clause 6.2:

- the Carrier shall be relieved of liability for any loss or damage if such loss or damage arose or resulted from:
 - the wrongful act or neglect of the Merchant or any Person acting on behalf of the Merchant other than the Carrier or its servant, agent or Sub-Contractor; or
 - the compliance with the provisions of any law, regulation, ordinance or order of a government or authority or any other rules as applied by clause 6.2 during such additional compulsory period of responsibility, notwithstanding that the loss or damage was not, in fact, caused by the Merchant or any Person acting on behalf of the Merchant;
 - the lack of, or defective condition of packing in the case of Goods which, by their nature, are liable to wastage or to be damaged when not packed or when not properly packed;
- handling, loading, stowage or unloading of the Goods by the Merchant, or any person acting on behalf of the Merchant;
- the inherent vice of the Goods;
- insufficiency or inadequacy of marks or numbers on the Goods, coverings, or unit loadings;
- strikes or lockouts or stoppage or restraint of labour from whatever cause whether partial or general;
- an act, neglect or default of the Merchant or its servants or management of the Vessel occurring during carriage by water;
- fire, unless the fire was caused by the actual fault or privity of the Carrier or lack of exercise of due diligence to make the Vessel seaworthy, properly to man, equip and supply the Vessel or to make her fit and safe for the reception, carriage and preservation of the Goods; for which the Merchant shall have the burden of proof;
- a nuclear incident;
- any other cause or event which the Carrier could not avoid and the consequences whereof it could not prevent by the exercise of reasonable diligence.

(b) The burden of proof that the loss or damage was due to one or more of the causes, or events, specified in sub-clause 6.3 (a) shall rest upon the Carrier. When the Carrier establishes that in the circumstances of the case, the loss or damage could be attributed to one or more of the causes, or events, specified in sub-clause 6.3 (a), it shall be presumed that it was so caused. The claimant shall, however, be entitled to prove that the loss or damage was not, in fact, caused either wholly or partly by one or more of these causes or events.

(c) Where the loss or damage was partly caused by one of the causes at sub-clause 6.3 (a) the Carrier shall only be liable to the extent that another cause contributed to the loss or damage.

6.4 Compensation and Limitation

(a) Subject to the Carrier's right to limit liability as provided for within this sea waybill, the Carrier's liability shall be calculated by reference to the value of the Goods at the place and time at which they were accepted for Carriage.

(b) Where the Hague Rules, Hague-Visby Rules or any other rules compulsorily apply to the Carriage the Carrier's liability shall in no event exceed the amounts provided for in the applicable rules.

(c) In all other cases compensation shall not exceed the limitation of liability of 2 SDRs per kilo of gross weight of the Goods lost, damaged or in respect of which the claim arises.

6.5 Time-bar

(a) Where the Hague Rules, Hague-Visby Rules or any other rules apply compulsorily to the Carriage, the time limit for bringing claims will be as prescribed by the applicable rules.

(b) In all other cases, the Carrier shall be discharged of all liability whatsoever unless suit is brought within nine months after the delivery of the Goods or the date when the Goods should have been delivered.

6.6 Liability applicable to both kind of transport mode

- The Carrier shall be liable to the Merchant for an amount greater than the actual loss to the Person entitled to make the claim.
- Ad Valorem, declared value of Package or shipping unit. The Carrier's liability may be increased to a higher value by a declaration in writing of the value of the Goods by the Merchant upon delivery to the Carrier of the Goods for shipment, such higher value being inserted on the front of this sea waybill in the space provided and, if required by the Carrier, extra freight being paid. In such case, if the actual value of the Goods shall exceed such declared value, the value shall nevertheless be deemed to be the actual value of the Goods and the Carrier's liability, if any, shall not exceed the declared value and any partial loss or damage shall be adjusted pro rata on the basis of such declared value.

(c) Delay, Consequential Loss Save as otherwise provided herein, the Carrier does not undertake that the Goods shall arrive at any place at any particular time and shall in no circumstances be liable for direct, indirect or consequential loss or damage caused by delay or in any other cause whatsoever and howsoever caused. Without prejudice to the foregoing, if the Carrier is found liable for delay, liability shall be limited to the Freight applicable to the relevant stage of the transport.

(d) Notice of Loss or Damage The Carrier shall be deemed prima facie to have delivered the Goods as described in this sea waybill unless notice of loss of, or damage to, the Goods, indicating the general nature of such loss or damage, shall have been given in writing to the Carrier or to his representative at the place of delivery before or at the time of removal of the Goods into the custody of the Person entitled to delivery thereof under this sea waybill or, if the loss or damage is not apparent, within three consecutive days thereafter.

(e) The defences and limits of liability provided for in this sea waybill shall apply in any action against the Carrier whether the action be found in contract, bailment, tort, breach of express or implied warranty or otherwise.

(f) The Merchant shall Indemnify the Carrier against any claim or liability (and any expense arising therefrom) arising from the Carriage of the Goods insofar as such claim or liability exceeds the Carrier's liability under this sea waybill.

7 MERCHANT'S WARRANTIES AND RESPONSIBILITIES

7.1 Every Person defined as Merchant is jointly and severally liable to the Carrier for all the Merchant's undertakings, responsibilities and liabilities under or in connection with this sea waybill and to pay the Freight due under it without deduction or set-off.

7.2 The Merchant warrants that in agreeing to this sea waybill he is or is the agent of and has the authority of the Person owning or entitled to the possession of the Goods and that he is duly authorised to bind the Carrier to the terms and conditions of this sea waybill.

7.3 The description and particulars of the Goods and Container set out on the face hereof are furnished by the Merchant and the Merchant warrants to the Carrier that the description and particulars including, but not limited to, verified gross mass, weight, content, measure, quantity, quality, condition, marks, numbers and value are correct.

7.4 The Merchant shall comply with all applicable laws, regulations and requirements (including but not limited to any imposed at any time before or during the Carriage relating to anti-terrorism measures) of customs, port and other authorities and shall bear and pay all duties, taxes, fines, imports, expenses and losses (including without prejudice to the generality of the foregoing, freight for any additional Carriage undertaken) incurred or suffered by reason thereof or by reason of any illegal, incorrect or insufficient marking, numbering or addressing of the Goods.

7.5 The Merchant undertakes that the Goods are packed in a manner adequate to withstand the ordinary risks of Carriage having regard to their nature and in compliance with all laws, regulations and requirements which may be applicable. The Merchant shall be liable for any loss, damage or injury caused by faulty or insufficient packing or for faulty loading or packing within Containers when such loading or packing has been performed by the Merchant or on behalf of the Merchant, or by the defect or unsuitability of the Containers when supplied by the Merchant, and shall Indemnify the Carrier against any additional expenses so caused.

7.6 Any Container released into the care of the Merchant for packing, unpacking or any other purpose whatsoever shall be at the sole risk of the Merchant until proper delivery to the Carrier at the time and place prescribed by the Carrier. If the Merchant fails to deliver the Container at such prescribed time and place, the Merchant shall pay the Carrier the applicable demurrage or detention charges arising therefrom. The Merchant is responsible for returning the empty Container, with interiors brushed and clean, to the port or place designated by the Carrier, his servants or agents. The Merchant shall be liable for any charges, losses or any other expenses arising therefrom. The Merchant shall be responsible for any loss and/or damage to, and any liabilities caused or incurred by such Container whilst in the use of and/or control of, the Merchant.

7.7 The Merchant shall be liable for the loss, damage, contamination, soiling, detention or demurrage before, during and after the Carriage of property (including, but not limited to, Containers) of the Carrier or Sub-Contractor (other than the Merchant) caused by the Merchant or any Person acting on his behalf or for which the Merchant is otherwise responsible.

7.8 The Merchant shall Indemnify the Carrier against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this clause 7 or from any cause in connection with the Goods for which the Carrier is not responsible.

8 DANGEROUS GOODS

8.1 No Goods which are or may become dangerous (whether or not so labeled in codes), inflammable, damaging, injurious (including radioactive materials), noxious or which are or may become liable to damage any property or Person whatsoever shall be tendered to the Carrier for Carriage without:

(a) the Carrier's express consent in writing; and

(b) the Container and/or other covering in which the Goods are to be transported and/or the Goods themselves being distinctly marked on the outside so as to indicate the nature and character of any such Goods and so as to comply with all applicable laws, regulations and/or requirements.

8.2 If the Merchant fails to provide such information and the Carrier is unaware of the dangerous nature of the Goods and the necessary precautions to be taken and if, at any time, they are deemed to be a hazard to life or property, they may at any place be unloaded, destroyed or rendered harmless, as

circumstances may require, without compensation, and the Merchant shall be liable for all loss, damage, delay or expenses arising from the Carriage. The burden of proof that the Carrier knew the exact nature of the danger constituted by the carriage of the Goods shall rest upon the Merchant.

8.3 The Merchant shall comply with rules which are mandatory according to the national law or by reason of international convention, relating to the carriage of Goods of a dangerous nature with the knowledge of the Carrier and the Merchant. If any such Goods are found to be dangerous to the ship or cargo, they may in like manner be landed at any place or destroyed or rendered innocuous by the Carrier without liability on the part of the Carrier except to General Average, if any.

8.4 The Merchant shall Indemnify the Carrier against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this clause 8 or from any cause in connection with the Goods for which the Carrier is not responsible.

9 CONTAINERS

9.1 Goods may be Consolidated by the Carrier in or on Containers and Goods may be Consolidated with Goods owned by other Persons.

9.2 The Carrier shall be liable for the loss of or damage to the Goods in this sea waybill in connection with the Carriage arising out of the supply of a Container to the Merchant, whether supplied before or after the Goods are received by the Carrier or delivered to the Merchant.

9.3 If a Container has been Consolidated by or on behalf of the Merchant, the Carrier shall not be liable for loss of or damage to the Goods:

- caused by the manner in which the Container has been stuffed;
- caused by the unsuitability of the Goods for carriage actually used;
- caused by the unsuitability or defective condition of the Container actually used provided that where the Container has been supplied by or on behalf of the Carrier, this paragraph (c) shall only apply if the unsuitability or defective condition would have been apparent upon reasonable inspection by the Merchant at the time when the Container was stuffed;
- if the Container is not sealed at the commencement of the Carriage except where the Carrier has agreed to seal the Container.

9.4 Where the Carrier is instructed to provide a Container, in the absence of a written request to the contrary accepted by the Carrier, the Carrier is not under an obligation to provide a Container of any particular type or quality.

9.5 Goods stored in closed containers other than flats or pallets, whether by the Carrier or the Merchant, may be carried on deck, on an open lorry, on an open trailer, or an open railway wagon without notice to the Merchant. Such Goods, whether or not so carried, shall participate in General Average and shall be deemed to be within the definition of Goods for the purposes of the Hague Rules and Hague-Visby Rules.

9.6 The provisions of clause 6 also apply with respect to trailers, transportable tanks, flats and pallets which have not been filled, packed or stowed by the Carrier.

9.7 The Merchant shall Indemnify the Carrier against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this clause 9 or from any cause in connection with the Goods for which the Carrier is not responsible.

10 TEMPERATURE CONTROLLED CARGO

10.2 If the above requirements are not complied with the Carrier shall not be liable for any loss of or damage to the Goods caused by such non-compliance and the Merchant shall Indemnify the Carrier for any resulting loss the Carrier suffers.

10.3 If the Carrier shall not be liable for any loss of or damage to the Goods arising from defects, derangement, breakdown, stoppage of the temperature controlling machinery, plant, insulation or any apparatus of the Container, provided that the Carrier shall before or at the beginning of the Carriage exercise due diligence to maintain the refrigerated Container in an efficient state.

10.4 The Merchant shall Indemnify the Carrier against any loss, damage, claim, liability or expense whatsoever arising from any breach of the provisions of this clause 10 or from any cause in connection with the Goods for which the Carrier is not responsible.

11 INSPECTION OF GOODS

11.1 The Carrier or any Person authorised by the Carrier shall be entitled, but under no obligation, to open and/or scan any Container or package at any time and to inspect the contents.

11.2 If it appears at any time that the Goods, or any part of them, cannot safely or properly be carried, or carried further, either at all or without incurring any additional expense or taking measures in relation to the Container or Goods, the Carrier may without notice to the Merchant (but as his agent only) take any such measures as may appear to be necessary or expedient for the purpose of ensuring the safe carriage of the Goods and/or for the purpose of ensuring the Carriage and/or to store the Goods ashore or afloat, under cover or in the open, at any place, whichever the Carrier in his absolute discretion considers most appropriate, which sale, disposal, abandonment or storage shall be deemed to constitute due delivery under this sea waybill. The Merchant shall Indemnify the Carrier against any reasonable additional expense so incurred.

11.3 The Carrier in exercising the liberties contained in this clause shall not be under any obligation to take any particular measures and shall not be liable for any loss, delay or damage whatsoever arising from any action or lack of action under this clause.

- use any means of transport or storage whatsoever
- load or carry the Goods on any Vessel whether named on the front hereof or not;
- transfer the Goods from one conveyance to another including transhipping or carrying the same on a Vessel other than the Vessel named on the front hereof or on any other means of transport whatsoever and even though transhipment or forwarding of the Goods may not have been contemplated or provided for herein;
- at any place unpack and remove Goods which have been stuffed in or on a Container and forward the same in any manner whatsoever;
- proceed at any speed and by any route in its discretion (whether or not the nearest or most direct or customary or advertised route) and proceed to or stay at any place whatsoever once or more often and in any order;
- comply with any orders or recommendations given by any government or authority or any Person or body acting or purporting to act as or on behalf of such government or authority or having under the terms of the insurance on the conveyance employed by the Carrier the right to give orders or directions;
- permit the Vessel to be associated with or to be towed or to be dry-docked with or without cargo onboard;
- permit the Vessel to carry livestock, Goods of all kinds, dangerous or otherwise, contraband, explosives, munitions or warlike stores and sail armed or unarmed.

Anything done in accordance with sub-clause 12.1 above or any delay arising therefrom shall be deemed to be within the definition of Carriage and shall not be a deviation of whatsoever nature or degree.

13 DECK CARGO

13.1 Unless it is specifically stipulated that the Goods will be carried under deck on the front of this sea waybill, the Goods (whether containerised or not) may be stowed on or under deck without notice to the Merchant and any other deck stowage shall not be a deviation of whatsoever nature or degree.

13.2 If the Carrier shall not be liable for any loss or damage to the Goods in this sea waybill in connection with the Carriage of such Goods whether carried on deck or under deck shall participate in General Average and, subject to Clause 13.3, such Goods shall be deemed to be within the definition of Goods for the purposes of the Hague Rules or any legislation making such rules, the Hague-Visby Rules compulsorily applicable to this sea waybill.

13.3 Goods which are stowed on the front of this sea waybill to be carried on deck, and which are actually carried on deck, are carried without responsibility on the part of the Carrier in so far as they are subject to the risk of whatsoever nature arising during Carriage by sea or inland waterway whether caused by unseaworthiness or negligence or any other cause whatsoever.

14 COLLECTION AND DELIVERY OF THE GOODS

14.1 When collection or delivery takes place at the Merchant's premises, the place of collection or delivery shall be the usual place of loading or unloading the Goods into or from the vehicle and:

- the Carrier shall not be under any obligation to provide any plant, power or labour which may be required for the loading or unloading at such premises. This shall be the responsibility of the Merchant at his own risk and expense.
- the Carrier shall not be liable for any loss or damage to the Goods or any injury to Persons if the loss or damage to the Goods or injury to Persons is caused by the negligence or default of the Merchant or any Person acting on his behalf or for any other cause whatsoever.
- If at any time the Carriage is or is likely to be affected by any hindrance, risk, delay, difficulty or disadvantage of any kind (including the condition of the Goods), whenever and howsoever arising (whether or not the Carriage has commenced) the Carrier may:
 - without notice to the Merchant abandon the Carriage of the Goods and where reasonably possible place the Goods or any part of them at the Merchant's disposal at any place which the Carrier deems safe and convenient, notwithstanding that any charges, dues or other expenses may be or become payable. If it is so agreed, then other, than at the request of the Merchant, in circumstances where the Goods or that part thereof so discharged could have been discharged ashore without additional delay, the Goods (or part thereof, as the case may be) shall nevertheless not be deemed to be discharged for the purposes of this clause until they are discharged from such craft, whereupon delivery shall be deemed to have been made and the responsibility of the Carrier in respect of such Goods shall cease;
 - without prejudice to the Carrier's right to subsequently abandon the Carriage under Clause 14.2 (a) above, continue the Carriage.
- In any event the Carrier shall be entitled to full Freight on Goods received for Carriage and the Merchant shall pay any additional costs resulting from the above mentioned circumstances.

14.3 The liability of the Carrier in respect of the Goods shall cease on the delivery or other disposition of the Goods in accordance with the orders or recommendations given by any government or authority or any Person acting or purporting to act as or on behalf of such government or authority. This shall amount to due delivery to the Merchant.

14.4 The Merchant in writing or by notice notified of the arrival of the Goods is solely for information of the Carrier, and failure to give such notification shall not involve the Carrier in any liability nor relieve the Merchant of any obligation thereunder.

14.5 If delivery of the Goods or any part thereof is not taken by the Merchant at the time and place when and where the Carrier is entitled to call upon the Merchant to take delivery thereof, the Carrier shall be entitled and without prejudice to any other rights that he may have against the Merchant without notice to remove from a Container the Goods or that part thereof if Consolidated in or on a Container and to store the Goods or that part thereof ashore, afloat, in the open or under cover at the sole risk and expense of the Merchant and the costs of such storage (if paid or payable by the Carrier or any agent or Sub-Contractor of the Carrier) shall forthwith upon demand be paid by the Merchant to the Carrier. Such storage shall constitute due delivery hereunder, and thereupon the liability of the Carrier in respect of the Goods or that part thereof shall cease.
